Virtual IT Awarded Contracts with the Cities of Alexandria and Norfolk, VA

The City of Alexandria, Virginia recently awarded Virtual IT a contract for the Establishment of a Multiple Award Schedule Contract (MASC) For Information Technology Professional Services.

In a separate award, the City of Norfolk selected Virtual IT as a vendor in response to a Cooperative Procurement Effort to Acquire Information Technology Support Services for itself and neighboring cities and counties.

Both awards represent cooperative procurements of services pursuant to Virginia Code, Section 2.2-4304. This allows other localities to engage Virtual IT using these contract vehicles.

Juliet Silver, CEO of Virtual IT commented, "These awards further demonstrate Virtual IT's commitment and expertise in supporting local government with our comprehensive suite of information technology consulting services."

Virtual IT is a full-service information technology consultancy, providing high-level strategic and tactical support for businesses, state and federal government agencies, and city and county governments. Clients look to us for leadership in the areas of Business & IT Strategy, Project, Program & Portfolio Management and Portal & Collaboration Solutions. The firm is headquartered in Roanoke, Virginia with branch offices in Vienna, Virginia and Charlotte, North Carolina.
